The Thompson Station Board of Aldermen and Mayor will hold a Special Called Meeting on September 29, 2015 to consider adoption of the new Land Development Ordinance (LDO) and the updated Zoning Map.

You can review the final versions of the documents [here](#). And you're welcome at the meeting on the 29th at the Community Center, 1555 Thompson's Station Road West.

The new LDO replaces the Town's current Zoning Ordinance and is intended to guide growth in line with the aspirations of our residents and business people. To review the conversations and draft refinements that got us to this point, check out the posts immediately preceding this one. They follow each step in the process.

Many thanks, again, for the enthusiastic support of this important process.
